**“With MDA, the IAFF’s support is not
going to come to an end until the
need for MDA doesn’t exist.”**

—Harold A. Schattberger, IAFF General President

What Does Boot Camp mean to you?

“To hang out and support the kids. I feel like it means a lot to them to see us support them. It’s also great to see other departments, and learn from them, and share the comradery with them and the kids”.

-Ron Moore
