Dear Brothers and Sisters:

The Michigan Professional Fire Fighters Union is the largest sponsor of the Muscular Dystrophy Association (MDA) here in Michigan. Every year our Fire Fighters hit the streets to help the MDA in their life-saving mission to cure muscular dystrophy and related diseases. Last year your efforts raised \$361,606 to help fund the programs that benefit families with Muscular Dystrophy right here in our own communities.

Over 58 years ago, the IAFF made the pledge to support MDA until a cure is found. Members of the Michigan Professional Fire Fighters Union have the opportunity to provide hope for the future to our Muscular Dystrophy families by coming together to create and develop new plans to help MDA in its life-saving mission.

We invite you to take part in our 9th Annual MPFFU/MDA kickoff celebration planned for May 16, 2012 in Lansing, MI. Two Representatives from each local are invited to attend*. All expenses will be covered after a \$25 per person registration fee. This includes all meals, hotel room (2 per room), and general session. Additional representatives can attend at a cost of \$150 per person.

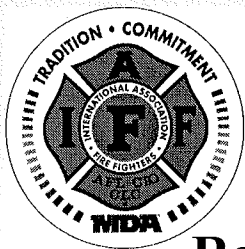

We'll start at 12:00 PM with registration at the Radisson Hotel. Meetings---general session, break out sessions, and award ceremony will take place from 1-5pm. Following the presentations, the group will walk to Cooley Law School Stadium for dinner and the Lansing Lugnuts baseball game.

I would like to personally request your attendance at the 2012 MDA Boot Camp. Please join MPFFU and IAFF locals in strengthening our commitment to the MPFFU/MDA partnership. Please return the enclosed RSVP as soon as possible as space is limited, but no later than May 1st, 2012.

Fraternally Yours,

Mark Docherty

** All Representatives must be members in good standing of their Locals, MPFFU or the IAFF.*
