

THANK YOU MICHIGAN PROFESSIONAL FIRE FIGHTERS

Over 150 Fire Fighters were in attendance for our 5th Annual MDA/MPFFU Boot Camp in Mt. Pleasant on June 4th!

Special thanks to: Andrea Abraham - MDA Michigan Goodwill Ambassador, Michael Chambers - MDA Patient, Dr. Gelinas - MDA ALS Clinic Co-Director, Kristy Kehl - Grand Rapids Professional Fire Fighters L-366, Terry Chesney - MPFFU Secretary/Treasurer and Monty Nye - MPFFU/MDA Liaison!

Thank you so much for your participation and enthusiasm! Our hope is that you left Boot Camp feeling inspired and FIRED UP for the 2008 Fill the Boot Season! Your continued support is greatly appreciated! Looking forward to seeing you all again next year!

Here is quote I'd like to share from that day:

"Every day you put your safety aside to save others, whether it be putting out a fire or acting as first responders at the scene of a crash, you are there, and after you put out the fire and mend the wounds of the crash victims...you offer yourselves again. This time not to those who are stuck in burning buildings or mangled cars but to the ONE MILLION Americans who are fighting a battle all their own, a battle with neuromuscular disease. Although we have yet to find a way to extinguish neuromuscular disease, we are closer than ever before thanks to your ongoing support."

Michael Chambers, MD Patient
