Capt. Kevin Emmett Ferguson
Fill the Boot Coordinator
Sterling Heights L1557

Kevin has been a firefighter for twenty-seven years. Twenty years in Sterling Heights and seven years in Detroit. As a young man he had dreams of being a firefighter, and those dreams came true in 1988.

"I love the fire service and giving back to the community. Personally, my favorite charity is MDA, and in particular the Fill the Boot Campaign. I have been coordinating the City of Sterling Heights efforts in this regard for three years with lots of support from our membership. The MDA reps I have dealt with have been wonderful and it has proven to be a blast for our department."
