Presents a benefit for

Fire Fighter Tim Callahan

January 19th 2018

At the Axemen Clubhouse

8480 South St.

Detroit, MI 48209

Doors open at 6pm

Food Served at 7pm

\$10 Donation at the door w/ cash bar

All proceeds will go to the Callahan family to help offset doctor bills and other miscellaneous cost related to his illness.

Tim is a Fire Fighter for the Detroit Metro Airport Fire Department and an active member of Local 741. He was recently diagnosed with heart failure and has been off work and is unable to return due to this illness.

Tim does everything he can to provide a great life for his wife and three boys and we cannot let this illness interrupt that. He went from working two jobs, one at the fire dept. and one at the hospital, to none. This only means he will have much less income for household bills and the unknown amount of medical bills in his future.

Please join us at this benefit to support
a fellow Fire Fighter in need.
