Brothers and Sisters,

We are sending out this letter to remind other locals and their members about our upcoming literature drop on Saturday, January 31, 2015 at 9 am. We are desperately seeking volunteers to help us go door-to-door and pass out door hangers. We have an important millage coming up in conjunction with the City of Eastpointe in February. If the millage does not pass sweeping changes will come to both departments. We need all the help we can get. So please, if you can volunteer any bit of time will help. If you are able to help, please contact President Chris Kenny at 810-875-1715. We will be meeting at the Hazel Park Fire Department (22830 Russell, Hazel Park, MI) on Saturday January 31 at 9 am. Doughnuts, coffee and chili will be served for all that volunteer.

Thank you for your assistance.

Fraternally,

Jeffrey C. Woodcock
