Dear Friends of Northville Township Fire Fighters,

January 9, 2012

The Northville Township Professional Fire Fighters Charity Fund is pleased to announce our 9th Annual Fireman's Ball. The 2012 Fireman's Ball will be held at the Italian American Club of Livonia on Saturday, February 11, 2012 at 6 pm. The evening will be filled with dinner, drinks, and dancing with both live and raffle auctions. This event provides a great opportunity to gather with others in the community who want to make a difference, and have a great time doing it.

Over the last eight years, recipients of our charitable contributions have included: injured and fallen firefighters and police officers and their families, the Muscular Dystrophy Association (MDA), Northville Civic Concern, the University of Michigan Trauma Burn Center, the Make-a-Wish Foundation, the Salvation Army, the Leukemia and Lymphoma Society, the Northville Goodfellows as well as many, many others. This year we will also be sponsoring our first scholarship for Northville High School students who plan to enter into public service careers.

Our organization is run solely by our firefighters, our families and our friends on a volunteer basis so that we can make the most of all of your donations. However, without the assistance of generous donations from members of our community, serving those in our area would not be possible. Since our organization relies on the generosity of individuals like you, we are asking you to consider supporting our cause.

We are looking for event sponsors, monetary donations, or any items, merchandise or services that your business may provide to use as prizes for our live and raffle auctions. Any item, large or small will be of great benefit to the success of our 2012 Fireman's Ball. This event also provides a great opportunity for your business to gain advertising during the event, in our program and also in the Northville Record after the event.

In an effort to recognize all of our generous donors in our event literature, we would like to have donations ready for pick up by Monday, February 6, 2012. We will make every attempt to make your experience with our organization as easy and rewarding as possible. Your donation will allow our organization to continue to provide assistance to individuals and organizations throughout our community in their time of need.

Respectfully yours,

Northville Township Professional Fire Fighters Charity Fund

Dear Friend of Northville Township Fire Fighters,

We are hosting our 9th Annual Charity Fundraiser Fireman's Ball on Saturday, February 11, 2012 at the Italian American Club in Livonia. This event will be filled with dinner, dancing and both live and raffle auctions to raise money for the Northville Township Fire Fighters Charity Fund. Our Charity Fund helps to raise money for injured or fallen firefighters and police officers and their families, local children's charities and other charitable causes within our community. Our goal is to give back to the people of our community; a community that has been very supportive of our cause.
