

No sleet nor snow nor ARCTIC BLAST could keep the Garden City IAFF Local #1911 from raising money and having a great time. January 18<sup>th</sup> the Garden City Firefighters partnered up with 99.5FM WYCD Detroit and headed to the bowling alley! A great time was had by all in attendance all the while \$2,800 was raised to help fight Muscular Dystrophy! Thank you Garden City Firefighters!
