Fire Fighter Spotlight

Adam Ferrell

Fill the Boot Coordinator

Dearborn L412

Adam is going on his third year as Fill the Boot Coordinator. Adam is a father of two beautiful little girls which drives his passion for helping people, especially supporting the families living with muscular dystrophy. According to Adam, "The MDA Fill the Boot is a great tradition. It gives firefighters the ability to help those in need in a different way. So often we see people in unfortunate situations and attempt to help them the best we can. With MDA Fill the Boot, we are able to raise money for people to receive treatment, to advance research, and to help those that need it most".
