Again, your dedication to the citizens of your communities and your generosity to the families we serve in Michigan is what makes you our heroes. Your contributions significantly help out our local patient families with your fundraising on MDA's behalf with events such as Fill the Boot Drives, golf outings, and numerous other activities you host. As always, we are forever grateful. Please don't hesitate to contact us if you need help with any other events, drives or activities. We are blessed to have you as our partners in the fight to find treatments and cures for neuromuscular disease.
